

5. DERMATOLOGY

How did we seek your help?

- 4 patients from practices are on the Redesign Group for Dermatology
- A session on Dermatology was held with ALPF PPG in June
- Focus group being organised for August

YOU TOLD US...

We need to integrate Dermatology services – one service for the Borough.

Education about self care is very important

Importance of early diagnosis by GPs.

WE...

→ We are considering the possibility of a central hub which will provide services at multiple locations

→ This has been noted as a very important issue and will be fed into the redesign

→ Your key messages are being fed in to the redesign process which is ongoing and will run until September.
