Narrative report outlining the key issues of the meeting

Deborah Ward, Assistant Director Safeguarding Adults attended the meeting and briefed everyone present on her role and provided members with her contact details.

Prime Minister Challenge Fund: Member Practices keen to make a joint EoI on behalf of TABA .

Practices expressed intention to stay together in a federation though not sure which one is best for them. Discussion took place on various options.

A brief discussion on QP 5(Quality and Productivity template 5) took place followed by an agreement to send to CCG and implement it.

Neil Forsdyke, Medicine Management Lead thanked all members for their hard work and turn around they had produced to improve antibiotic prescribing and getting closer to QIPP agenda.

Chair thanked TABA Practices who had Expressed an interest in taking part in the

Pilot for Integrated Care Project.

TABA PPG had expressed concern regarding relocation of out of hours cover A/E moving to Wigan Infirmary and put a strong case for services in Eastern half of the borough.

Regrettably, TABA GPs could not recall any patient who had been deflected by Bolton or Salford Accident and Emergency department as part of winter resilience Programme to any of the GP practices in TABA.

One practice has had a Clostridium Difficile case lately and will be brought to next TABA meeting for discussion/RCA.
