

## Question Booklet

We are thinking about the future of 12 GP practices.

### WIGAN BOROUGH

The 12 GP practices are all in Wigan Borough.

We need your help to decide what to do.  
To help, you need to tell us what you think.

### How to tell us what you think

practice you want to tell us?

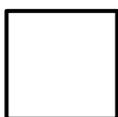

**Question 4:**

We have thought about things people have  
told us are important.

Are any of these important to you?

Please choose your top 3.

The opening hours

Local bus stops

Disabled parking

How good nearby practices are

What the local area is like

How many new patients they have this year

How many practices there are nearby

What the building is like

How new houses will be built

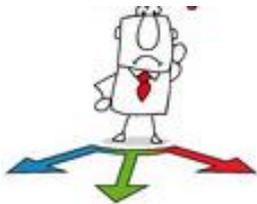

**Why are these important to you?**

**Question 6:**

Is anything else important to you?

**? 5 ?**

**Question 7:**

There are 5 different things we could do at each GP practice.

We want to know what you think about each of the different things.

1. We can keep them the same.

If we keep the practice the same, what would this mean for you?

It could be good

It could be bad

I don't know

Why do you think that?

How can we make it better?

2. We can close the practice.

If we close the practice, what would this mean for you?

It could be good

It could be bad

I don't know

Why do you think that?

How can we make it better?

3. We can keep the practice open, but change how it works.

If we change how the practice works, what would this mean for you?

It could be good

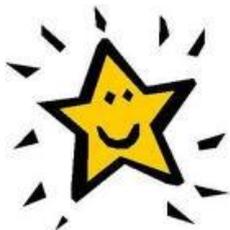

It could be bad

I don't know

Why do you think that?

How can we make it better?

4. We can keep the practice open and join it with other practices

If we join your practice with other practices, what would this mean for you?

It could be good

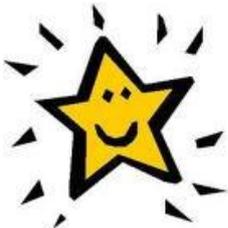

It could be bad

I don't know

Why do you think that?

How can we make it better?

5. We can keep the practice open, but ask it to change and do more.

If we ask your practice to change and do more, what would this mean for you?

It could be good

It could be bad

I don't know

Why do you think that?

How can we make it better?

---

### Question 8

We might ask you to go to a different doctor on an evening and a Saturday.

What would this mean for you?

It could be good

It could be bad

I don't know

Why do you think that?

How can we make it better?

---

### Question 9

Are there any things that your GP practice does differently to other practices that are very important to you?

### Question 10

Are any extra things your GP practice should do?

### Question 11

We might ask your GP practice to see patients from other local practices.

What would this mean for you?

It could be good

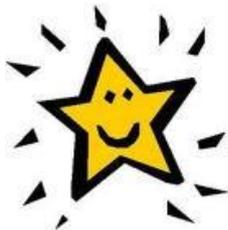

It could be bad

I don't know

Why do you think that?

How can we make it better?

---

## Question 12

We might ask your GP practice to change and do things differently.

What would this mean for you?

It could be good

It could be bad

I don't know

Why do you think that?

How can we make it better?

### Question 13

Do you think that these changes will affect more to you than other people?

It could be because of your age, what you believe in, where you are from, or any other reason.

Yes, they might affect me more

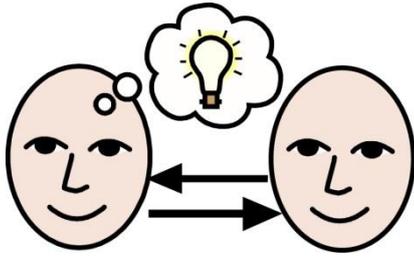

No, they won't affect me more

I don't know

Why do you think that?

### Question 14

Do you have any ideas you would like to tell us about?

You have finished!

Thank you!

Please hand your question booklet in to your GP practice.

Or, post it to us. You don't need a stamp.
