

## **System Requirements 2012/13**

### **1. Purpose of Report**

- 1.1 To share with Board members direction issued by SHA North in terms of the priorities and requirements for system management in 2012/13
- 1.2 A letter from Ian Dalton, Chief Executive of NHS North is attached for reference

### **2. Introduction / Background**

- 2.1 Each year the NHS issues an 'Operating Framework' which outlines the requirements in relation to performance in all Trusts.
- 2.2 Given the major system changes in train as a result of the passing of the Health & Social Care Act NHS North has circulated a guidance letter outlining the detailed requirements for managing the system in this transition year.

### **3. Implications**

- 3.1 The detailed work needed locally will be implemented through the CCG's existing Governance and work stream structures.
- 3.2 Detailed reports on progress and implementation will be reported to Board in accordance with agreed and required timescales.

### **4. Recommendations**

- 4.1 Board members are asked to note the range of requirements for 2012/13 and the proposed means of delivery
